# Be Ready Gazette

Jess Ranch Community Disaster Response Team

October 2024

## Fall Is Here

Radio check went well for September thanks to Anthony Enrique our ECO, in addition to the Sun City Radio club who always join in.

When the clubhouse opens, we will have flags there for anyone who needs one and information on the team if you are interested in joining us. This will also be an appreciation lunch to welcome our new team member, and thank you for the hard work of existing members.

We have organizations waiting to join us once the clubhouse is open and we have a date for this exciting event. If you have arts, crafts, preserves, etc. to sell please let Nanci know you want a space.

If you are a new resident, you do not want to miss this upcoming informative event to be ready in case of a major disaster.

If you like to write I really need someone to do this newsletter every month please contact me if that person is you.
